MAKE A DIFFERENCE

What We Do

Mediation Services of Adams County Inc. (MSAC) helps people navigate conflict through mediation, communication, and practical conflict-resolution skills. We work with individuals, families, organizations, and community groups to encourage understanding, reduce tension, and find constructive ways forward.

Your Impact

MSAC keeps costs low by relying on dedicated volunteer mediators and community meeting spaces, but there are still essential operating expenses that make our work possible. Your donation helps cover professional fees, mediator training, and critical operational costs such as phone service, email, and website hosting. Every contribution directly supports our ability to provide accessible, high-quality mediation services to the community.

EXPANDING THE ASK

Helping us continue

For years, we focused on serving rather than asking. Now we are inviting people who have used or valued our services to help keep them available. Your gift helps ensure the next family, neighbor, or organization can receive affordable mediation, regardless of ability

MEDIATION IN THE MOMENT

Trained through the Trust Network of Mediators Beyond Borders International, our green-vested mediators are available when tensions rise — at community events, in the public square, or in situations where conflict may otherwise escalate.

Help Transform Conflict Into Understanding

The Adams County Community Foundation Giving Spree includes an Incentive Match Pool funded by generous sponsors, helping stretch every donation. To donate online, visit ACCFGivingSpree.org on **November 5** between 12:00 a.m. and 11:59 p.m. You can also donate by cash or check in person during the Giving Spree on **November 5** from 3–7 p.m. at the **Wyndham Gettysburg**.

UPDATES FROM MSAC

Mediation Services of Adams County Inc. continues to expand its impact. Our Gettysburg Alive Facebook group has grown to more than 13,000 members, providing a positive space for community information and local promotion. In the last 60 days, posts and comments received more than 400,000 views. Since our last newsletter, we have received 52 mediation intakes, with 25 cases moving forward to mediation.

Our De-escalation Steps booklets are being distributed during protests on Lincoln Square, placing practical conflict-resolution tools into moments of

tension. Our children's "I Like Me" cards are now being used in the Gettysburg Best After School Program to help build self-esteem, emotional awareness, and healthy communication skills.

We also continue to offer mediation, presentations, and trainings that help individuals, organizations, and community leaders communicate more effectively, de-escalate conflict, and navigate difficult conversations effectively.

More about the Giving Spree

Mediation Services of Adams County Inc. is proud to once again participate in the Adams County Community Foundation's Giving Spree — the largest day of giving in Adams County! This annual event brings our community together to support local nonprofits, and your generosity helps us continue providing affordable mediation, conflict resolution, and civility programs that strengthen relationships and build a more peaceful community.
